

Lord of the Valley (LOTV) Nicaragua Mission Trip 2014 Standards of Conduct Agreement

I understand that the LOTV Mission Trip is a Christian, interdenominational construction, educational and medical ministry dedicated since 2007 to serving God by providing educational, physical and health and spiritual care to people in financially and medically deprived areas of Nicaragua. We are committed to offer healing to the whole person, body, mind and spirit.

Our Goals:

- To encourage Christian fellowship among the Mission Team
- To involve non-medical people in mission projects such as construction, Christian education, other skills
- To initiate and develop relationships with families for whom new homes are being built
- To initiate and develop medical and evangelism mission projects
- To share the love of Christ in our behavior, activities and mission projects
- To ensure all endeavors are coordinated and sustainable and appropriate for the culture

We desire to use our medical and lay expertise to support the spiritual work of the local host group, thus adding credibility to the gospel.

I understand that the purpose of the LOTV team is to glorify God.

I understand that when I travel as a LOTV team member, I represent God, my country, and all other LOTV team members; therefore, I pledge to refrain from any behavior/clothing that might cast doubt on the Christian standards of LOTV or my fellow team members.

While on a LOTV mission trip, I will refrain from using illegal drugs, irresponsible consumption of alcoholic beverages, or any behavior that is offensive to LOTV's in-country hosts or to another team member.

I **will not** facilitate under-age consumption of alcohol (under the age of 21 years).

If under 21 years of age, I will not participate in the consumption of alcohol.

I understand that if I engage in questionable behavior, I will be invited to discuss my misconduct with the leaders of the group before any decisions are made.

I understand that if my conduct does not comply with the appropriate standards of conduct as described above, I could be asked by my team leader to leave the team immediately and return home at my own expense.
